

# Spring into fine dining at Melanie's Bistro

Melanie's Bistro at 1870 Danforth Ave. is celebrating their birthday with a bang!

The sophisticated and down-to-earth bistro turns 7 this year and Melanie and her team want to turn up by celebrating the best way they know how. Food!

Spring Fling is the 7-day event at Melanie's Bistro and will be an event that, you guessed it, has 7 specially chosen dinners on their price fixed menu. Each day will feature a new meal and also, a hidden menu item will be included to bring back meals that customers raved about but are no longer included in the restaurant's regular menu.

"We want to thank the community for being such a great support for this local business," Melanie said. "And to celebrate our birthday."

Along with the celebratory dinners and hidden menu items, the bistro will be offering up a draw at the end of each night that will give customers a chance to win gift cards to other local businesses in the area that Melanie and her team are very fond of.

The event starts on Saturday, Feb. 28 and will run through to Saturday, March 7 and the dinners start at 5. For more information on Melanie's Bistro go to [www.melaniesbistro.ca](http://www.melaniesbistro.ca) or call 416-422-1870.
