Broker Of Record/Owner

At Re/Max Diamond you don't buy a house, you invest in a home

Gary Chahinian is the President and Broker of Record of Re/Max Diamond Inc. specializing in real estate in parts of the GTA including Toronto, Etobicoke, Scarborough, Bayview, Mississauga, Markham, Richmond Hill and North York.

Chahinian's business is a small one with around 40 agents, but it packs a powerful punch boasting top sales, and they have won multiple awards to prove it such as the Top 1 Percent of Realtors in the GTA and the #1 Brokerage in Central Etobicoke for transactions and sales. Chahinian is a member of the Re/Max Hall of Fame and before opening Diamond Realty he had been awarded both the Platinum and Chairman's Awards.

With true professionalism and straightforward negotiation tactics, Chahinian and Re/Max Diamond 'buy and sell with passion.' Their main goal is to provide each and every client with the best home buying or selling experience by using their three main pillars of success: professionalism, heart and integrity.

"The most important thing for my clients is that for

ninety five percent of the people buying a home, it's the biggest transaction they will make, so when your buying or selling for a client your doing everything possible for them," said Chahinian. "It's about really understanding the emotional end of the sale and caring about giving the best for the clients."

Re/Max Diamond is not your average brokerage though. Chahinian's involvement in the Children's Miracle Network for the past 18 years has led to the entire office being part of the charity. An annual golf tournament, which falls on June 16 of this year, is held to raise money for Sick Kids Hospital as well as an annual 10k walkathon and each and every broker in the firm donates a percentage of their earnings to the organization.

Chahinian spent his life in Etobicoke and each and every broker with his firm live, work, and love the Etobicoke community.
